I discuss a victorious attitude, the positives of enthusiasm and accentuating the positive in your attitude. I reference the Shunammite Woman’s attitude as an example.
Women of Fragrance or Building a Lasting Legacy
Both of these topics reference the story of Ruth and Naomi. One accentuates Ruth, whose reputation, loyalty, and work ethic made her a “woman of fragrance” (sweet smelling savor). Women are encouraged to be like Ruth.

Naomi is highlighted in “Building a Lasting Legacy”, as we focus on the mentoring of Ruth by Naomi. Naomi’s legacy was instilling God’s law in Ruth to produce a young woman whose faith in action engrafted her into the lineage of Jesus Christ.

**Christian Coach Light (10 week coaching course for groups)**

Christian Coach Light is a basic or "light" version of Christian Life Coach training, designed to be presented in a series of 10 classes. The course does not delve into the complexities of professional coaching techniques, but presents a highly personalized and interactive forum for participants to learn, and begin taking actions to achieve their God-given life purpose.

Above and beyond attending the sessions and doing assignments, participants will get to take part in and benefit from personal coaching. Within this program, students will learn what Christian Life Coaching is, and *how to coach another person*. Participants will learn more about their own uniqueness and what they need to be doing for the kingdom. Students will also begin to get a greater understanding of the coaching experience, both from the position of being coached and coaching others.
